

Veneta Emergency Shelter Volunteer Training

This document provides training for volunteers for the Veneta Emergency Shelter and includes new guidelines for operations during COVID-19.

MISSION STATEMENT: To provide emergency shelter to our neighbors during times of extreme weather or disaster.

When the temperature is below 30 degrees Fahrenheit (30°F) or below and during other hazardous conditions, the Community Shelter operates 4:30 pm–8:00 am. Check the website for the activation status.

Contact Us

Please contact the Volunteer Coordinators for questions or to volunteer:

- Junie Gangle (Shelter Coordinator) 541-556-3336
- Isa Jennings and Jabrila Via (volunteer coordinators)
venetawarmshelter@gmail.com.

EXPECTATIONS

Even though a church is hosting the shelter, we are not here to evangelize. This is not a “church thing,” rather a “people thing.” Volunteers should show respect for all faiths and religious practices.

Hospitality

- Be welcoming. Smile! 😊
- Be flexible and teachable.
- Ask questions.
- Be willing to assist where asked or needed.

We are *not* expected to do the following:

- Drive or give rides to guests.
- Provide money.
- Judge or pry.

Rules of Respect

All volunteers and guests will treat each other with respect using appropriate behavior and language. Each person will:

1. Be Safe
2. Be Responsible
3. Be Respectful

Well-behaved pets are welcome. Food and water can be provided (check the pantry for dog food).

- Owners must keep pets leashed, crated, or have them in their control at all times.
- Service dogs **MUST** be leashed and under control of handler at all times.
- Owners must clean up after their pets.

Minors who are guests are welcome without a parent or legal guardian. Minors who are volunteering must be accompanied, at all times, by a parent or legal guardian.

Alcohol, Tobacco, or Drugs

Alcohol and substance abuse in itself is not a reason to exclude a guest. Sobriety is not required for our guests, but we do address bad behavior caused by drinking or substance abuse.

- Consumption of alcohol, marijuana, or other drugs (except prescriptions) is not allowed in the Church or on Church property.
- Drinking and use of marijuana and illegal substances are not allowed on church property.
 - Guests must leave the building and church property to use alcohol or marijuana.
- Guests may smoke tobacco outside at least 10 feet from any door.

When to Ask Guests to Leave

Shift/Team Leads can ask guests to leave if they cannot show respect to other guests, volunteers, or themselves. Examples include the following:

- Refusal to wear a face covering when inside and not in their six foot square "home"
- Refusal to follow social distancing guidelines by a disrespect of others six foot square "home"
- Excessive shouting or disruptive verbal outbursts
- Behavior that creates an unsafe environment
- Verbal or physical threats to themselves or other people

Three-strike rule. As of 12/17/18, there is a three-strike rule for serious behavior issues that result in a guest being asked to leave.

1. For the 1st incident, the guest can be asked to leave for that night.
2. For the 2nd incident, the guest can be asked to leave that night or for a series of nights, depending on the seriousness of the issue.
3. For the 3rd incident, the guest can be asked to not come back for the season.

Behavior related to substance abuse can be a reason to ask a guest to leave.

- Bad language, disruptive arguments, and fighting are not allowed on church property and may result in the guest being told to leave.
- If a guest is suspected of having or leaving inappropriate items, e.g., alcohol containers or drug paraphernalia, two people (either the Team Lead and another volunteer or the volunteers on shift) should talk to the guest privately and remind the individual about the policy of no alcohol or drugs on church property.
- If the guest cannot give a commitment to compliance to any of the guidelines, the guest can be informed that s/he will not be able to come to the shelter again.

Process for When to Ask Guests to Leave

1. First and foremost, ensure the safety and security of you, other volunteers, and all guests.
2. Directly address the behavior of the guest. If appropriate, you can try to de-escalate the guest with clear instructions, such as, "Please lower your voice."
 - For the Shelter, this would be the guest liaison.
3. If time allows during the incident, the guest liaison or chaperone should contact the Team Lead assigned for the night.
4. If the guest causing the disruption does not comply with verbal instructions to change his/her behavior inside the building, the guest can be asked to leave.
 - For the Shelter, this would be the guest liaison.
5. If the guest refuses to leave, depending on the severity of the situation:
 - Always call the Team Lead.
 - For emergency situations: call police (911).
6. Follow up with the Team Lead after an incident occurs.
 - Immediately inform the Team Lead assigned for the night of unacceptable behavior if this hasn't already been done.
7. Document the incident in the notes for the next shift regarding what happened.

VENETA WARM SHELTER OPERATING PROCEDURES

When the temperature drops **below 30 degrees Fahrenheit (30°F)** or during other hazardous conditions, the Warm Shelter provides a free place to take emergency shelter for the night. When activated, the Warm Shelter operates **4:30 pm–8:00 am** in the Fellowship Hall of Fernridge Faith Center at 25133 E. Broadway, Veneta, OR 97487. Check the Fern Ridge Community Dinners and Community Warm Shelter website: www.fernridgecommunityservices.com for the activation status.

Anyone coming in the door during the hours of operation will get a warm place to sleep up to church capacity (currently up to 24 inside), along with a hot dinner and take out breakfast. Once indoors is at capacity, outdoor shelters will be made available. Guests are often members of our community who are homeless or need to take shelter. Guests are welcome to leave and return as needed. Adult Chaperone(s) on duty will supervise behavior. *(This is not an Egan Center.)*

Along with a place to sleep, the shelter provides a hot meal (dinner) and a to go breakfast) and limited entertainment (music, movies, cards, games, etc.) to lift guests' hearts from the cold and darkness.

The Warm Shelter is made possible by coordination with Fernridge Faith Center and community partners such as the Veneta Homeless Advocacy Board, Fern Ridge Service Center, other local churches, and—most of all—volunteers.

We thank everyone who volunteers their time and services. Without sufficient staff, the Warm Shelter cannot open safely.

- For an online version of this training manual, see www.fernridgecommunityservices.com

Volunteer Roles

Many volunteers are needed to operate the Warm Shelter:

- Team Leads (coordinate and oversee activated night shifts)
- Activation Communicator (posts signs and communicates opening to Sheriff and Fire Dept.)
- Shift Volunteers (cooks, entry screeners, guest liaisons, chaperones, and cleaners)

If you need to leave early or cannot complete a full shift, contact the Team Lead.

Activation Communicator will:

- Contact Sheriff Dispatch and Fire Department reader board.
- Place yellow ribbons on the gates at 8th St. and Territorial

Team Leads

Team Leads are responsible for overseeing the staffing of a Warm Shelter activation night and have access to a church key. Upon activation, responsibilities include:

- Being on call and reachable by phone in case of behavioral issues or a volunteer not showing up for a designated shift.
- Filling a shift if a volunteer does not show for a shift and another volunteer cannot fill in.

Team Leads are not necessarily assigned for the duration that the Warm Shelter might

be activated. When different Team Leads are assigned for different nights, the activated Team Lead should pass along shift notes and sign-up information from the previous night(s) in the Warm Shelter notebook.

Activation

Activation of the emergency Warm Shelter depends on the following 3 factors:

1. **Extreme weather conditions or disaster** indicating a significant danger for neighbors to stay in their usual living environment. These include temperatures **below 30 degrees Fahrenheit** or may include consideration of successive days at below freezing temperatures.
2. **Availability of 2 Adult Chaperones** per shift to remain awake throughout the night and monitor and supervise the safety of those being sheltered and the church itself from 4:00 pm to 8:00 am.
3. **Activation decision is made** by the Warm Shelter Activation Lead.

ACTIVATION PROCESS:

1. **Activation Lead** will monitor weather and emergency reports and:
 - When the forecast predicts, notify the Volunteer Coordinator to send a mass email for **possible activation** and/or **activation** and go on StandBy status. This can be done up to 72 hours (3 days) before the possible activation.
 - Also, contacts the Shelter Coordinator and the website manager to update information on the website and to consult if needed.
 - Makes the decision to activate by 4:00 p.m. the previous day (24-hour notice). This call is final even if the temperature rises.
2. **Volunteer Coordinator** then:
 - Notifies website manager to set activation status.
 - Sends mass email to notify volunteers of activation.
 - Calls starred (*) contacts on the Emergency Contact List.
 - Ensures volunteer slots are filled including that there is a **Team Leader**.
 - **If we do not have enough volunteers by 12pm the day of the activation, the shelter will not open.** Signs need to be posted and contacts on Emergency Contact list contacted.
4. Repeat above until **Activation Lead** deactivates the Warm Shelter.
 - Upon deactivation of the Warm Shelter: **Volunteer Coordinator** sends a mass email announcing the close and calls the starred (*) contacts on the Emergency Contact List.

- This person (or persons) should have their meals brought to them and they will use the bathroom in the Calm Room behind the sanctuary.
- Volunteers should wear gloves, gown, and face shields when delivering food.
- ***At the end of your shift, write notes on the activation's Warm Shelter Notes log.***
